

A yellow Easter egg with several pink star-shaped cutouts is positioned on a green grassy surface. The egg is the central focus, and the stars are arranged in a scattered pattern across its surface. The background is a blurred green lawn.

Coding Test (React.js)

Mission

Make a simple CRUD application

Make a simple CRUD application.

Front-end - React+Redux

Back-end (API) – Express (Node.js)

Database – MySQL (XAMPP is already installed)
